**Take advantage of this exclusive offer to experience Marfa during the CineMarfa Weekend. Choose between a three-day or two-day stay, and we will craft a weekend itinerary just for you including first-class accommodations and all reservations, as well as 24-hour concierge service. For more information, email Ginger Griffice at [cinemarfa@gmail.com](mailto:cinemarfa@gmail.com).**

### STAY

Enjoy a deluxe room at this historic landmark hotel, home of James Dean, Elizabeth Taylor, and Rock Hudson during the filming of *Giant*. The Paisano is in the middle of the action of town, walkable to most events during the weekend.

### SEE

The best way to see the collections of art in Marfa is by private tour with a knowledgeable guide. The Chinati Foundation, founded on the principles of artist Donald Judd, will be yours to visit on a customized private tour. Explore the Judd Foundation at your own pace, available only with this package. We will set up your tours based on your schedule. You will also visit Ballroom Marfa, a dynamic, contemporary cultural arts space where varied perspectives and issues are explored through visual arts, film, music, and performance. CineMarfa screenings and events are scheduled throughout the weekend, so there is much to see. We'll make sure you do it all.

### VISIT

Let us introduce you to the artists of Marfa. We'll organize studio visits and private time with the artists and craftspeople in town. We'll also make sure you visit the many shops and boutiques where you can find mementos to take home. Marfa Book Company, Cobra Rock Boots, and Tienda M are just a few of the places on your itinerary.

### DINE

Dinners, lunches, and breakfast will be arranged for you at all of the greatest hits of the vibrant dining scene in Marfa. Famed restaurants such as Cochineal, Future Shark, Food Shark, Maiya's, and the Marfa Burrito Company will be on your list.

### CINEMARFA

Enjoy VIP seating at all CineMarfa screenings, invites to the Filmmakers' Dinner on Friday, and exclusive access to all CineMarfa events.
